

DEAR PARENT,

Would you like to:

- meet other parents who share similar challenges?
- have a network of parents to support you?
- share concerns, successes, and learn more about resources

throughout the state?

If you do:

PARENT PARTNERSHIP

is the group for you!

PARENT PARTNERSHIP is a support group forming for parents/caregivers of children with special needs in Region 16. Currently we are building a parent network by collecting parent contact information. If you are interested in being part of this developing group please contact:

Kelly Soisson @ Kellysoisson@sbcglobal.net

PARENT PARTNERSHIP is a community “outreach” program originating from a state-supported program called PLTI (Parent Leadership Training Institute)... PARENT PARTNERSHIP invites you to be a partner!
