PowerSchool Account Management for Parents

If you've created a Parent Access Account in PowerSchool, but have forgotten your username or password, you can use the sign on page to reset that information.

1. Go to https://region16.powerschool.com/public
2. Click the "Forgot Username or Password?" link

3. If you have your username and the email address that you signed up with, you can enter them here and have a password email to you.

If you are experiencing sign in issues, please contact your school for assistance. For security reasons, PowerSchool is unable to assist with sign in, password, or other accessibility-related issues.

4. If you forgot your username but you know which email address you used to sign up, you can click on the Forgot Username? Tab and use your email adress to recover it.

If you don't remember your username or the email address you signed in with, you will have to contact the main office of your child's school for assistance.
