

School Bus Safety Tips:

This week is National School Bus Safety Week: During the week, you will hear some tips for staying safe: Get to the bus stop at least 10 minutes before the bus is scheduled to arrive so you avoid being in a hurry.

The bus driver and others cannot see you if you are standing too close to the street. Make sure you are standing in a safe place, at least 5 giant steps away from the street.

When you get on or off the bus, look for the bus safety lights and make sure they are flashing. Be alert to traffic and look both ways before you enter or cross the street.

When the driver says it is safe to cross the street, remember to cross in FRONT of the bus. If something falls under or near the bus, tell the driver. NEVER try to pick it up yourself!

While you are on the bus, remember to stay in your seat and sit quietly so that the driver is not distracted.
