Students:

DO NOT BATHE YOUR INSTRUMENTS! I will show you how to properly take care of them once you arrive.

If you are renting a completely new instrument, I know it's hard but please wait to put it together until you get to band.

Parents: If you have any questions please email me at sross@region16ct.org. I will be checking my email all summer.

Enjoy the rest of the summer. See you in September!!

Miss Ross ☺
